- Summary: Portfolio project showcasing learnings from UPENN Bootcamp
- Role: Sole Author
- Tools: Java Script, CSS, HTML, Photoshop

EXPERIENCE

Junior Web Developer
Allo on Arbitrum Hackathon

2023-Present
Philadelphia, PA

Developed a unique strategy for hackathons to use when allocating funds to participants.

Key Accomplishments:

- Developed a user-friendly, intuitive, and secure website from scratch with Scaffold-ETH2
- Empowered allocators to use a voting strategy to promote projects until one remained
- Collaborated with a team of developers from conception to completion

Hirschfeld Marketing Solutions

2020-2023

Account Manager**Charlotte, NC**

Communicated with clients to maintain and upgrade their accounts. Coordinated with cross-functional teams to brainstorm, innovate and create live event campaigns and trouble-shoot any problems that arise.

Key Accomplishments:

- Provided clients with innovative, budget friendly approaches to meet their needs
- Coordinated with accounting, operations, production and other teams to complete goals
- Managed several budgets across clients
- Preserved positive client relations even under stressful conditions

EDUCATION

Certificate, Full Stack Web Development – University of Pennsylvania , PA

Solidity/Blockchain & Smart Contracts Development - Patrick Collins Online Course

B.S., Economics, Minor in Mathematics – East Stroudsburg University, PA
